

MAATS COTTAGE LTD

ABOUT US

Established in the year 2016, Maats Cottage Ltd has marked its prominence as **Finished Leather and Jute Products** Manufacturer, wholesaler and Exporter. Our Finished Leather and jute Products include Ladies Bags, Wallets, Gents Purse, Ladies Wallets, card holder, key ring holder, ladies clasp and also all types of corporate item, gift box and several other variants which are made by pure high quality leather and jute.

OUR GOAL

We have emerged as indubitable Leather Products Manufacturing Company in Bangladesh by offerings that are designed and finished to meet the highest levels of quality. Quality being the overriding concern since our very beginning, our entire Leather Product line is closely monitored by quality analysts. All the products are tested as very good designed and quality.

We export other kind of jute Bags which are made of 100 % natural jute. Jute bags are durable and stylish too. They are not only great for carrying groceries but also can be used at the beach and pool, as a book bag or for shopping in general. Our jute shopping bags can be made from different colors of jute with a variety of handles like Bamboo, Cane, Rope, and Tape etc. Aside from the fact that jute is eco-friendly, durable and flexible. Customers like it that they can actually re-use their jute bags for other purposes.
